

# Net Preamble

This is \_\_\_\_\_ (Call sign) Net Control for the Olive Branch Amateur Radio Club Information and Technology Net.

This is a directed net held every Thursday at 8:30 PM local on the 147.255 repeater (PL 79.7) and the linked 444.700 repeater (PL 107.2). You may join via either machine.

The primary purpose of this net is to promote amateur radio, practice traffic handling, and provide an open forum for questions, announcements, and training updates.

## [Break for repeater • NCS ID]

When prompted, respond with suffix first. Once acknowledged, provide your full call, name, location, and any traffic. Close with your full call sign.

We will take traffic by priority: emergency, formal (numbered), informal, then announcements.

- Emergency or priority traffic for the net?
- Any formal traffic for the net?
- Any informal traffic for the net?

Announcements will follow check-ins. Stations with announcements, come with suffix only.

## [Break for repeater • NCS ID]

- Any EchoLink or mobile stations wishing to check in?
- Taking regular check-ins, suffix A through M.

## [Break for repeater • NCS ID]

- Taking check-ins, suffix N through Z.
- Any station anywhere, suffix A through Z?
- Once again, Any Station, anywhere come now with your Suffix.

We had \_\_\_\_\_ announcements earlier. Station \_\_\_\_\_ come with your traffic.

- Final call for late check-ins, any station anywhere.

Hearing none, does anyone have further business for the net?

This is \_\_\_\_\_ thanking the \_\_\_\_\_ stations who participated. The net is closed at \_\_\_\_\_ local time and the frequency is returned to normal amateur use. 73 from \_\_\_\_\_.
